

Documentation

Student name: Georgi Nikolov

1. Home page (index.html)

- Navigation bar (<nav>) for easy access to all five pages.
- A hero section with a welcoming message and call-to-action button.
- A “What I do” section showing three main areas of interest (Web technologies, Sports, Learning) using grid layout.
- A brief “About this site” section explaining the purpose of the website.

The screenshot shows a dark-themed website layout. At the top, there is a navigation bar with links for Home, About Me, CV, Gallery, and Contact. The 'About Me' link is underlined, indicating it is the current page. Below the navigation, the name 'Georgi Nikolov' is displayed in a large, bold, gold-colored font. The main content area begins with a hero section featuring a dark purple background. Inside this section, the text 'Hi, I'm Georgi' is centered in a white box, followed by a smaller line of text: 'I'm a student at IMC right now, I'm really open-minded and love to learn.' Below this is a gold-colored 'More About Me' button. The next section, titled 'What I Do' in a gold font, contains three items arranged in a grid. Each item has a gold title and a dark purple description box. The first item is 'Web technologies' with the description 'Building interesting responsive websites thanks to my teacher'. The second item is 'Sports' with the description 'I like to take part in sports-related activities'. The third item is 'Learning' with the description 'Always exploring new technologies'. The final section at the bottom is titled 'About This Site' in a gold font. It contains a single paragraph: 'This is my personal website where I share my work, skills, and interests. Check out my CV for work experience, browse the gallery for photography, or drop me a message through the contact page.'

2. About me page (about.html)

- A introduction section with a brief description and a picture.

About Me

Hey, I'm Georgi

I'm studying Informatics at the University of IMC Krems. I was always intrigued by how computers work and that's what started my journey.

3. CV page (cv.html)

- A “Education” section listing my education with dates
- A “Experience” section listing my internships and jobs

The screenshot displays a dark-themed CV page with a header "CV" in orange. Below the header, there are two main sections: "Education" and "Experience".

Education

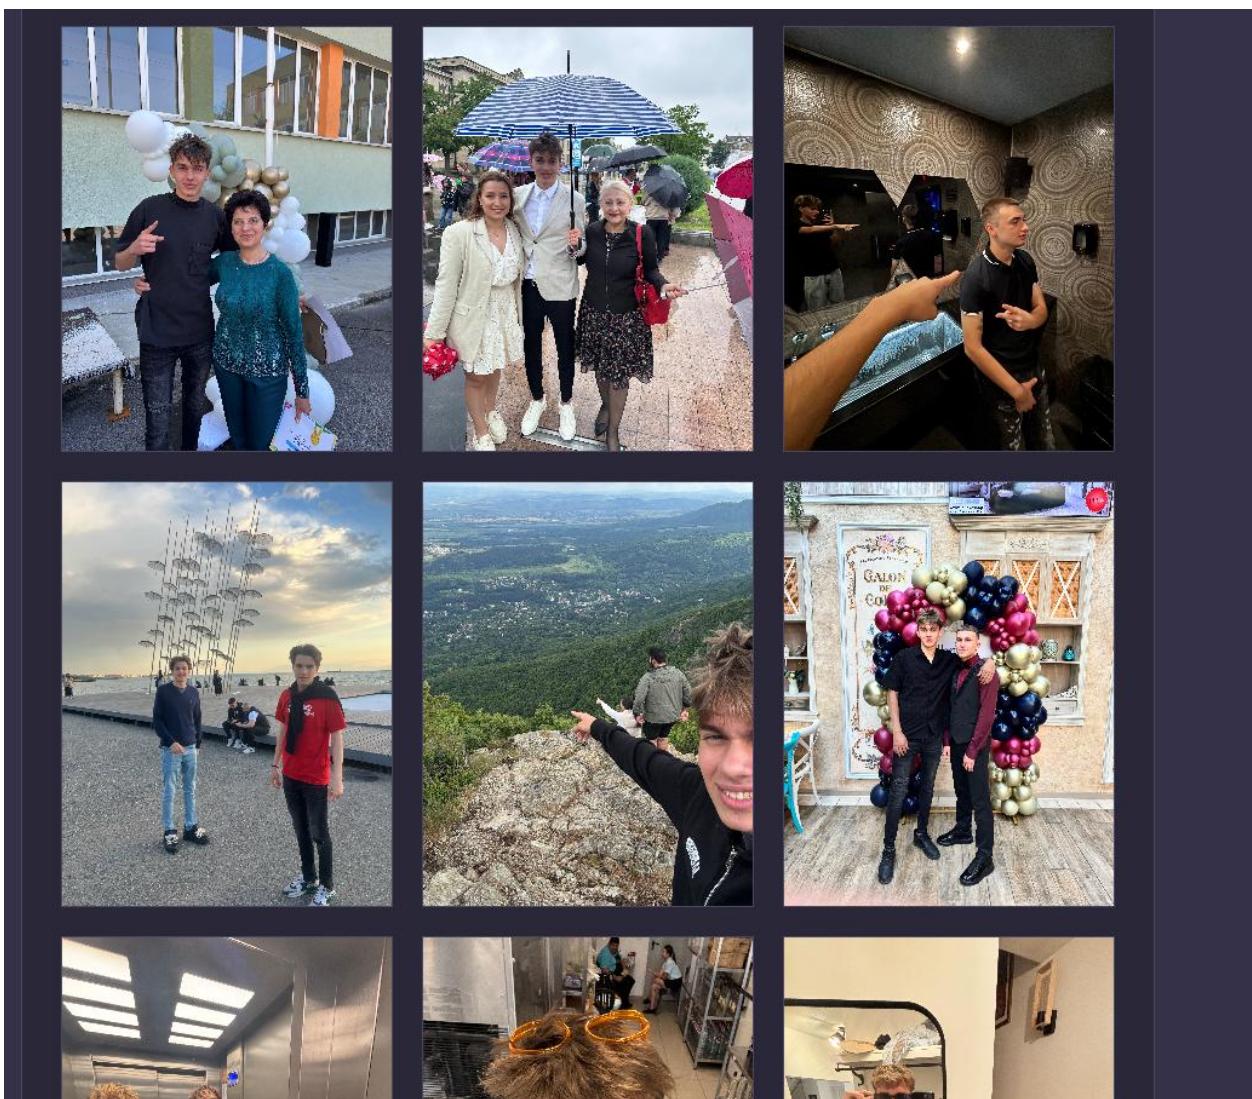

- Informatics**
2025 - Present
University of IMC
- High School Diploma**
2021 - 2025
PGEE Apostol Arnaudov

Experience

- Internship**
July 2024
Techno Art, Ruse
 - Learned and observed how operating systems in mobile phones work - Performed OS installation and virus removal on customers' laptops

4. Gallery page (gallery.html)

- 12 images displayed in a responsive grid.
- The grid is set to display three columns on large screens and collapses to a single column on mobile device (@media query in style.css).
- Images are set to (object-fit: cover), so they fill the container while maintaining aspect ratio.

5. Contact page (contact.html)

- A simple contact form with required fields for Name, Email and message

The screenshot shows a contact form titled "Send a Message". The form consists of three input fields: "Name *", "Email *", and "Message *". Each field has a corresponding text input box below it. Below the "Message *" field is a large text area for entering the message content. At the bottom of the form is a yellow rectangular button labeled "Send".
